--	--	-------------------------	------------------------------

Telescopic runners Baste during cooking and slide trays in and out of the oven with easy access telescopic runners.	Soft close door	Quadruple glazed oven doors
--	-----------------	-----------------------------

BENEFITS

A TOUCH OF STEAM: THE SECRET TO PERFECT BAKING
Add a touch of steam for artisan style results at home. Add water to our inbuilt well to create steam for golden crusts and soft, airy centres, ideal for bread, pastries, and delicate bakes. Because perfect texture starts with perfect moisture.

TAKE THE GUESSWORK OUT OF COOKING
Use the smart food probe to monitor the core temperature of your food. It automatically switches off the oven when your dish is done, so you get juicy roasts, tender poultry, and flawless results without lifting a finger.

AIRFRY MEETS STEAM
Get the best of both worlds, crispy on the outside, tender on the inside. By adding steam to AirFry, keep your drumsticks, chops or crumbed fish juicy whilst achieving that irresistible crunch.

AN OVEN THAT CLEANS ITSELF
Pyrolytic cleaning heats the oven to a high temperature, turning grease and grime to ash. Just wipe clean afterwards no water or chemicals needed. The multi-layer glass door stays cooler to touch for complete safety.

ASSISTED COOKING
The intuitive full-colour touch display provides a range of assisted cooking functions to help you achieve delicious results every time. Use automatic settings for ideal roasting, reheating or dough proving, or use the step by step guides for Bread and Pizzas, Meat and Fish or Vegetables.

ACCESS ALL AREAS WITH EASE
Telescopic runners make it easy for you to slide trays in and out of the oven. This provides safe, effortless access, making it easier to baste during cooking or check on how a dish is coming along. The runners also make light work of lifting and removing hot trays or heavy dishes.

Specifications

PRODUCT PROFILE

Domestic warranty details (yrs)	3
Type of Oven	single pyrolytic oven
Oven fuel	electric
Materials/Colour	black
Controls of Oven	TFT touchscreen
Cooling fan	Yes

FLUSH FIT CUT OUT

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
