

8kg EasyCare 700 series heat pump dryer. The innovative heat pump system with SenseDry technology ensures gentle drying, great performance and energy efficiency with a 7-star energy rating.

Product Details

FEATURES

SensorDry

Easy to use rotary dial control

Reverse tumbling action

Delicates setting

BENEFITS

Take a turn

The straightforward rotary dial means any household members big or small can help out on laundry day.

Dry without damage

Our SensorDry technology detects when your load is dry enough and ends the cycle instead of just running on a set time, so that you end up with undamaged laundry that's not been over-dried.

Around the clock freshness

Our reverse tumbling action switches directions between clockwise and anti-clockwise so your load dries quickly and evenly. Even once damp socks kidnapped into the corners of fitted sheets come out fresh.

Care at lower temperatures

Line dry only? There's a Westinghouse appliance for that. Our dryers low/low setting low on tumble and low on heat means they're as protective as a parent on their teens first date.

Retire the iron

Like a face cream for your clothes, our auto cool down reduces wrinkling and means your load is cool to touch when the program is finished.

IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
