BENEFITS

PROFESSIONAL RESULTS AT HOME

The SteamPro oven provides you with Bake, Roast and Steam, a tool used by professional chefs for many years enabling you to reach new culinary heights with a home oven. Its time to transform the way you cook and enjoy professional-level results at home.

MASTER EVERY DISH AT A TOUCH

CookSmart Touch+ takes intuitive cooking further. With guided recipes and advanced step-by-step functions, it helps you master even complex dishes with ease. Access favourites, recently used modes, and tailored assistance, bringing greater confidence to both everyday and ambitious meals.

MEET YOUR PERSONAL CHEF

Assisted Cooking is your at-home sous chef. Scroll through menus to select a food category and the oven will generate the correct settings for the dish. You can even choose how you would like meats sealed and for added safety the oven will automatically power down after cooking.

CLEAN WITH THE POWER OF STEAM

A clean oven ensures delicious flavours, prevents cooking odours, and helps maintain optimal performance. Clean your oven effortlessly with the Steam Cleaning program. Let the natural power of steam lift grease and grime with ease simply wipe it away. The oven display will inform you when cleaning is required.

PRECISION MEETS PERFECTION

The Food Sensor allows you to precisely monitor the cooking process and achieve perfect results according to your personal taste. The oven will let you know when your food has reached the right temperature.

CLOSE WITH A WHISPER

Soft Closing hinges ensure smooth and virtually silent door closure, for a premium feeling time after time.

EXTRA-SAFE TRIPLE GLAZING

A triple glazed door keeps the oven exterior cooler to touch, even when oven is running at maximum temperature, improving both safety and comfort in your kitchen. The internal glass is ultra-safe and the reflective coating helps to direct heat back into the oven to maximise efficiency.
