

**Easily create more room with the stacking kit**

Stacking your washer and dryer is a great way to save space in the laundry room. The Stacking Kit gives you a stable way to stack your dryer on top of your washer, creating more space in your laundry room.

---

**Product Benefits & Features**

**Stacking Kit with a built-in sliding shelf**

Stacking your washer and dryer is a space-efficient solution. The Stacking Kit with sliding shelf gives you a handy place for separating clothes when they come out of the washer or folding them when they come out of the dryer.

**Versatile Stacking Kit for AEG front-loading washers and dryers**

Stacking your washer and dryer is a space-efficient solution. The versatile Stacking Kit works with all AEG front-loading washers and dryers with a depth of 52 to 67 cm.
