RRP AUS \$3,199.00

Product Details

FEATURES

5 year Warranty on Compressor

This Vintec cabinet comes with a 5-year warranty on its compressor. We recommend registering your product with us, so that we can help you more quickly and efficiently.

Store up to 40 Bordeaux Style Bottles

Maximum loading capacity is 40 bottles of Bordeaux shape and size (750ml).

Inverter Compressor

Energy-efficient Variable Speed Compressor: saves energy and emits lower noise and vibrations, while provides great temperature stability and has longer life compared to a single speed compressor.

Dedicated Cellaring Mode

Dedicated mode which sets the temperature of your wine cabinet at 12C the ideal temperature for cellaring all wines (reds, whites and sparkling).

Fully Extendable Shelves on Telescopic Runners

Our fully extendable shelves make your bottles fully visible and easily accessible, while also minimizing any harmful vibrations.

Double glazed door, with anti-UV glass

The double-glazed door with anti-UV glass ensures protection from UV rays and prevents your wine spoiling due to light damage. It creates the optimal environment for your wine's maturation.

Reversible Door

Reverse the door to optimize access to your wine cabinet.

Sleek Intuitive Touch Controls

Configure the temperature with ease with the intuitive touch controls.

Security Lock

Child-proof lock your cabinet to avoid unauthorized access to your collection.

Air Filter

Helps protect the wine cabinet from undesirable odours. Filters internal air to limit stale odours from developing in your wine cabinet. For optimal performance, replace every 6 months.

Anti Tip Fixing Bracket

Comes with an anti-tip fixing bracket to ensure your treasured collection remains intact.

BENEFITS

5 year Warranty on Compressor

This Vintec cabinet comes with a 5-year warranty on its compressor. We recommend registering your product with us, so that we can help you more quickly and efficiently.

Quiet Inverter Compressor

Our variable speed Inverter Compressor is our quietest Vintec yet and with a 25% improvement in energy consumption. It slowly and gently cools with greater temperature control. Cushioned with in-built absorbers, vibrations are minimised, so that your wines are stored in a calm, protected environment where they can mature steadily.

Fully-Extendable 3-Tier Telescopic Rails

Our fully extendable, smooth-gliding telescopic shelves made from Beechwood, offer complete visibility and easy access to every bottle in your collection. Designed with vibration-absorbing rails, these shelves minimise movement, ensuring your wines are stored safely.

Stylish, Seamless Transparent Anti-UV Glass Door

The stylish, transparent glass door allows you to showcase your wine collection while providing a UV-light resistant environment, assisting to prevent your wines from spoiling due to light damage. With no protruding handles, it offers a seamless feel and an elegant finish.

Sleek Intuitive Touch Controls

Configure your wine cabinet temperature and lighting with ease with the intuitive touch controls. Set temperatures based on cellaring or serving your wines to achieve their optimal taste.

Diffused and Dimmable LED Lighting

Our energy-efficient UV-free LED lighting ensures perfect visibility for all your wines. With three dimmable settings Cold, Neutral, Warm it provides a smooth, uniform illumination that enhances the appearance of your collection.

Dual Zone for serving reds and whites, or cellaring and serving

Our Dual-Zone wine cabinets are perfect for maintaining red, white, and sparkling wines at their ideal drinking temperatures. Set one zone to 6-12°C for sparkling or white wines, and the other to 15-18°C for reds. Alternatively, keep one or both zones at a steady 12°C for maturing wines steadily.

Freestanding or Slot In installation possibility

This Vintec unit can be installed Freestanding or Slot-In to a home (e.g kitchen, living room or office) for a more integrated look.

Premium Scandinavian Design

Designed in Sweden, Vintec prioritises simplicity and the seamless integration of form and function. This design philosophy complements Vintec's focus on both wine preservation and aesthetic appeal, resulting in sophisticated wine storage solutions that blend effortlessly into modern living spaces.

Specialist in wine cabinets for over 20 years and number 1 preferred brand*

For over 20 years, Vintec has been the specialist in climate-controlled wine storage solutions in Australia. Vintec is the number one preferred brand. *Kantar brand Health study Aug 2024

Peace of Mind with The Vintec 5 Pillars Of Wine Storage

Vintec Wine Cabinets attempt to recreate the conditions found only in the best natural underground wine cellars by strictly adhering to the Vintec 5 Pillars of Wine Storage: Stable Temperature, High Humidity, UV-Free / Dark Storage Area, No Vibration, Quality Airflow.

The Vintec Club

The Vintec Club is a private club for owners of Vintec, focused on content, offers and experiences on cellaring, storing and serving wine. Owning a Vintec is the key to accessing exclusive wine industry benefits and services and receiving invitations to unique wine dinners and tastings in the company of celebrated winemakers and sommeliers.
