RRP AUS \$5,499.00

Product Details

FEATURES

CookSmart Touch
CookSmart Touch guides you to cook perfect meals.

Food Sensor

Assisted Cooking
Assisted Cooking settings mean you can let your oven know what's cooking so it can handle the rest.

Pyroluxe Cleaning
Self-cleaning pyrolytic function turns food residue and grease into ash for easy cleaning.

SteamBake

Soft-close doors
Soft Closing hinges ensure smooth and virtually silent door closure with just a gentle touch.

Telescopic runners
Telescopic runners provide safe, easy access.

Slow Cooking
Get those tender results with the built in Slow Cooking function.

BENEFITS

Add steam for crispier baking
The SteamBake button in this oven adds steam at the beginning of the baking process. The steam cooking keeps the dough moist on the surface to create crisp crusts, while the centre stays soft and fluffy.

FLAWLESS RESULTS AT A TOUCH
CookSmart Touch display effortlessly guides you to achieve perfect results, from cooking everyday dishes to the most ambitious meals. Recently used and Favourites are available with just a swipe.

MEET YOUR PERSONAL CHEF
Assisted Cooking is your at-home sous chef. Scroll through menus to select a food category and the oven will generate the correct settings for the dish. You can even choose how you would like meats sealed and for added safety the oven will automatically power down after cooking.

PRECISION MEETS PERFECTION
The Food Sensor allows you to precisely monitor the cooking process and achieve perfect results according to your personal taste. The oven will let you know when your food has reached the right temperature.

WHY NOT FRY WITH LESS OIL
The mesh construction of the AirFry tray allows super-heated air to crisp the surface of ingredients to deliver a delicious fried taste and texture, with less oil.

PYROLUXE™ SELF CLEANING
AEGs Pyroluxe self-cleaning function takes the hard work out of keeping your oven clean. The pyrolytic oven is heated to a very high temperature that will reduce grease and grime and burn off baked-on food residue reducing it to ash. All you need to do is wipe oven out with a damp cloth.

Specifications

PRODUCT PROFILE

Domestic warranty details (yrs)	5
Type of Oven	single oven
Oven fuel	electric
Materials/Colour	stainless steel,black
Controls of Oven	CookSmart Touch TFT
Cooling fan	Yes

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

Electrolux Home Products warrants that for domestic applications the AEG appliances featured are free from defects in materials and workmanship for 5 years (3 months warranty for commercial applications). All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
