RRP AUS $6,849.00

Product Details

FEATURES

5 year Warranty on Compressor
This Vintec cabinet comes with a 5-year warranty on its compressor. We recommend registering your product with us, so that we can help you more quickly and efficiently.

Inverter Compressor
Energy-efficient Variable Speed Compressor: saves energy and emits lower noise and vibrations, while provides great temperature stability and has longer life compared to a single speed compressor.

Dedicated Cellaring Mode
Dedicated mode which sets the temperature of your wine cabinet at 12C the ideal temperature for cellaring all wines (reds, whites and sparkling).

Wine Display Shelf
Showcase your most cherished wines at the top of your cabinet with the Vintec Display Shelf.

Audio and Visual Alert
When door is left open for more than 5 minutes, a visual notification kicks in, followed by an audio alarm (after additional 2 minutes). The alarm also notifies too high or too low temperatures that put wines at risk.

Cut-Off Thermostat
Extra safety mechanism that prevents temperature to drop below accepted levels. In the unlikely event of malfunction of the cooling system, this safety mechanism shuts off the compressor and avoids excessively low temperatures.

Air Filter
Helps protect the wine cabinet from undesirable odours. Filters internal air to limit stale odours from developing in your wine cabinet. For optimal performance, replace every 6 months.

Anti Tip Fixing Bracket
Comes with an anti-tip fixing bracket to ensure your treasured collection remains intact.

BENEFITS

Adjustable LED Side Lighting with 3 colour settings
Perfect visibility of your wine collection with our energy efficient, LED lighting with 3 colour settings (warm, natural and cool). The light is not blocked by wine bottles, resulting in a smoother appearance with a more uniformed diffusion.

The Vintec Club
The Vintec Club is a private club for owners of Vintec wine cabinets, focused on content, offers and experiences on cellaring, storing and serving wine. Owning a Vintec is the key to accessing exclusive wine industry benefits and services and receiving invitations to unique wine dinners and tastings in the company of celebrated winemakers and sommeliers. Find out more at vintecclub.com.

Premium Scandinavian Design
Designed in Sweden, Vintec prioritises simplicity and the seamless integration of form and function. This design philosophy complements Vintec's focus on both wine preservation and aesthetic appeal, resulting in sophisticated wine storage solutions that blend effortlessly into modern living spaces.

Vintec is the specialist in wine cabinets for over 20 years and number 1 preferred premium specialist wine cabinet brand
For over 20 years, Vintec has been the specialist in climate-controlled wine storage solutions in Australia. Vintec is the number one preferred premium specialist wine cabinet brand.*Kantar brand Health study May 2026

Flexible Installation: Free-Standing or Slot-in
This Vintec wine cabinet can be installed free-standing OR slot-in to a home (e.g. Kitchen, living room or office).

Dual Zone Cooling system for higher temperature precision
Our Dual-Zone wine cabinets are perfect for maintaining red, white, and sparkling wines at their ideal drinking temperatures.Two independent evaporators deliver perfectly stable temperatures across both zones. The zone seals minimise airflow transfer between zones, ensuring optimal conditions for every bottle style. Set one zone to 6-13°C for sparkling or white wines, and the other to 15-18°C for reds. Alternatively, keep one or both zones at a steady 12°C for maturing wines steadily.

Precision control TFT Display screen to navigate settings with ease
The TFT control screen offers precision control, beautifully displayed, presenting every setting with exceptional clarity and understated luxury. Its refined, highresolution interface makes caring for your wine effortless, while enhancing the overall elegance of your fridges design.

Display Shelf to Showcase Your Best Wines
Showcase your best or favourite wines at the top of your cellar with the Vintec Display Shelf. It highlights your bottles by cradling them at an angle providing a clear view of your most cherished wines.

Extendable 3-Tier Cradle and Telescopic Rails with elegant gold Trim
Crafted from natural Ash wood, our extendable telescopic shelves glide with exceptional smoothness, offering a full, elegant view of every bottle in your collection.
Precisionengineered with vibrationabsorbing rails adorned in goldfinished aluminum, these shelves provide superior stability and loadbearing performance, minimising movement to safeguard each wine with the utmost care. The result is a beautifully refined storage experience designed to honour and protect your most treasured bottles.

Borderless Black frame Glass Finish
Borderless Black Glass covers the full surface of the door, with no protruding handles, offering a seamless feel and an elegant finish, and stunning way to showcase your wine collection.

Acid-Etched Fingerprint-Proof Glass Door
The acid-etched glass door is fingerprint resistant. It's matte, smooth surface is part of the elegant premium design of the range.

Effortless Push-to-Open Access
Experience a new level of ease and sophistication every time you reach for a bottle. Our pushtoopen door design allows you access your wine collection with a simple, effortless touchno handles, no pulling, just smooth, intuitive motion. Precision engineering ensures a clean, reliable opening action every time, giving you quick access while maintaining the carefully controlled environment inside the cabinet. Thoughtfully crafted for both convenience and style, its a small detail that transforms the entire experience of selecting and enjoying your favourite bottles.

Improved Thermal Insulation from triple layer, double Low-E glass door
The stylish, transparent tempered glass door allows better insulation, while providing a UV-light resistant environment, assisting to prevent your wines from spoiling due to light damage. With no protruding handles, it offers a seamless feel and an elegant finish.

Quiet Inverter Compressor
Our Variable Speed Inverter Compressor is quiet and efficient in energy consumption. It slowly and gently cools with greater temperature control. Cushioned with in built absorbers, vibrations are minimised, so that your wines are stored in a calm, protected environment where they can mature steadily.
