PERFECT BLEND OF ARTISTRY & FUNCTIONALITY

Like other timeless designs, the original Smeg FAB refrigerator is more than just a mere fridge. It's the focal point of the kitchen, bringing together unquestionable style and premium performance. Always evocative and eclectic, FAB fridges have become standard bearers for "Made in Italy" design all over the world with their inimitable blend of artistry and functionality.

DOUBLE ZONE ELECTRONIC TEMPERATURE CONTROL

The digital electronic control panel at the top of the fridge provides accurate temperature monitoring in both the fridge and freezer compartments to ensure the long life of perishable food. With three functions: ECO, fast freezing and temperature alarm, the FAB38 optimises freshness and reduces food waste. FUNCTIONS: ECO, Fast freezing, & Temperature alarm

MULTI-COOLING NO FROST TECHNOLOGY

Thanks to the no frost system you won't have to manually defrost the freezer as cool air is circulated inside to prevent any icy build ups and maximise storage capacity.

LIFE PLUS 0°C DRAWER

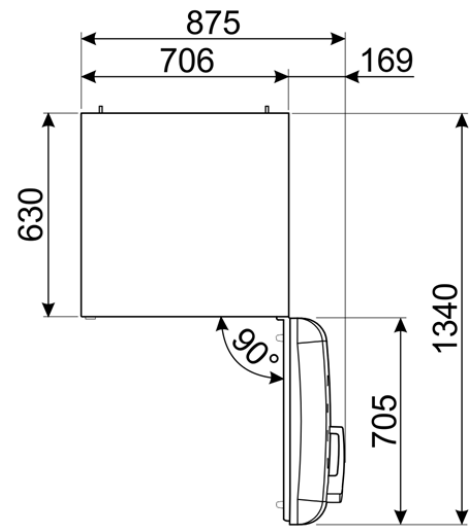

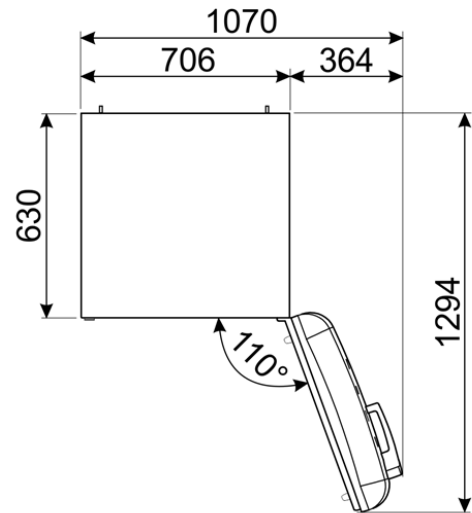

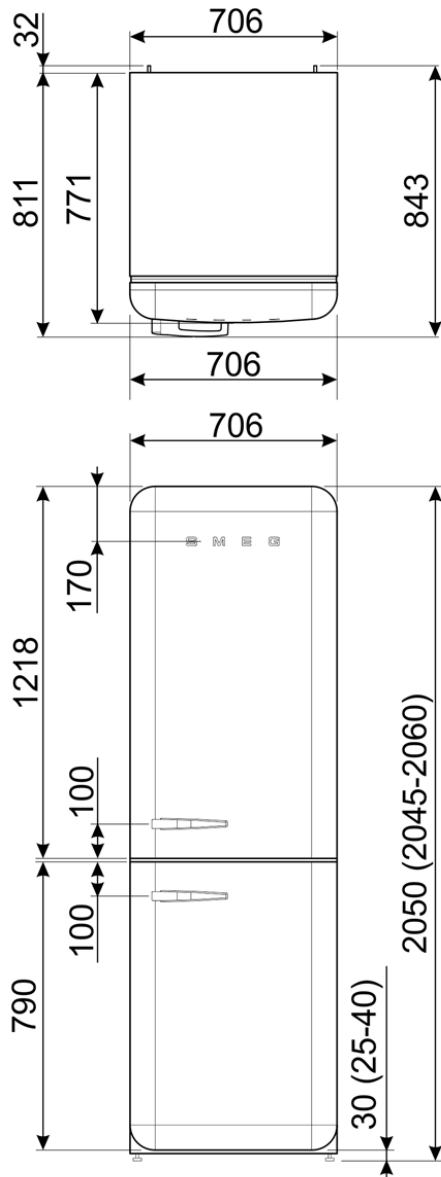

This chilling drawer provides a controlled temperature zone for better and longer preservation of perishable food such as meat, fish, fruit and vegetables and dairy products.
