# Product information sheet CHOICE Icona-C

Item no. 527945

## Benefits

- Gourmet water - delivers filtered water that can be chilled, sparkling or boiling hot, beside the standard cold and hot tap water
- Select the exact amount of filtered water via the meauserement dial for added convenience and minimises water wastage
- Seperate outlet for enhanced water – no mixture with mains water
- Pull-out hose with dual selectable spray patterns allowing great reach for comprehensive kitchen tap functionality in prep and clean workflow
- Needs to be installed with CHOICE.All water conditioning unit

## Colours

PVD satin gold

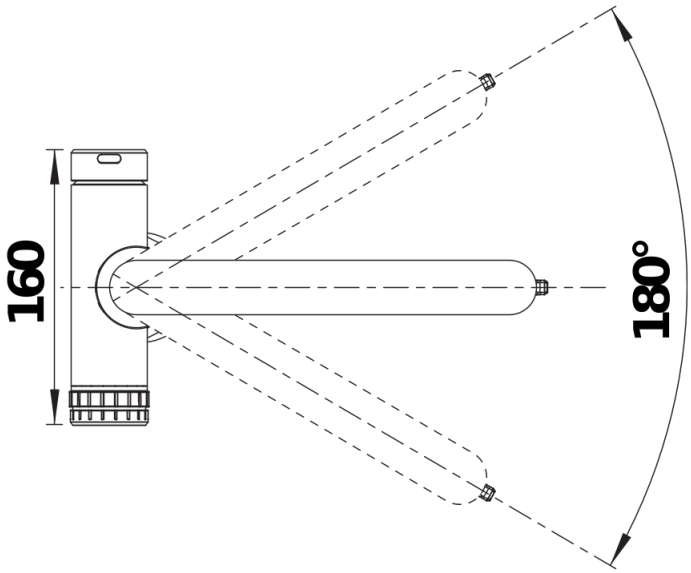

Available colours:

satin gold
satin dark steel

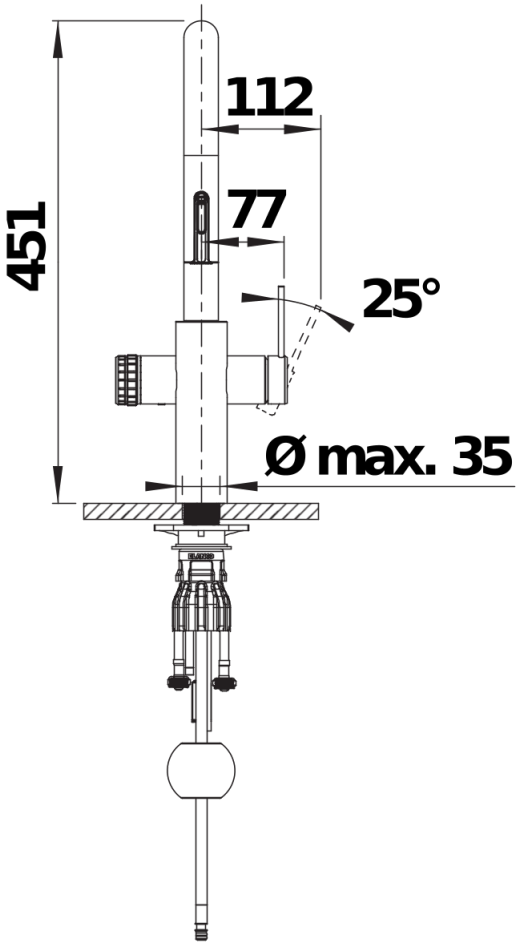

## Scope of supply

- 6-in-1 C-shape tap for standard cold and hot, filtered chilled still, medium, sparkling or boiling hot water
- Click and Touch: Selection of predefined conditioned water type and volume in ml thanks to the scaling wheel and intuitive touch control
- Adjustable settings for 4 individual water preferences
- Safety concept for secure handling of boiling water
- 180° swivel spout for mixed water and refined water
- Material: solid stainless steel
- Ø 35 mm tap hole required
- Easy and fast professional mixer tap installation with BLANCOLock
- With ceramic disk cartridge
- Patented jet regulator for markedly reduced scaling
- Pull-down two-jet shower for mixed water
- Flexible connector pipes, 700 mm long and ½" nut
- Stabilisation plate to increase the stability of the tap when fitted in stainless steel sinks
- With non-return valve and thus guaranteed against reflux in accordance with EN 1717
