

PV195LCNAU

90CM LINEA GAS ON GLASS COOKTOP

MADE IN ITALY
Since 1948

COOKTOP FEATURES

EAN	8017709339722
Dimensions	900mmW x 510mmD x 48mmH
Finish	Black ceramic glass
Installation	Topmount/fully flushed
Cutout	844 - 848mmW x 482 - 486mmD (refer to technical drawing)
Capacity	5 burner Left (wok): 21.6 MJ/h Front centre: 6.1 MJ/h Rear centre: 6.1 MJ/h Front right: 4.3 MJ/h Rear right: 9.3 MJ/h
Burners	Brass with nickel coating
Pan stands	Cast iron
Ignition	Automatic electronic
Gas connection	Set for natural gas - regulator supplied Adaptable for ULPG - no regulator supplied
Safety	Flame failure device fitted to each burner
Power	220-240V, 50/60Hz 1W
Supplied accessories	1 x cast iron wok support
Warranty	Five years parts and labour

ROBUST AND DURABLE CERAMIC GLASS

With the ability to withstand extremely high temperatures, the premium SCHOTT CERAN® glass ceramic surface is highly resistant to impact and wear.

POWERFUL ULTRA-RAPID WOK BURNER

Ultra-powerful brass burner with an output of 21.6 MJ/h is ideal for foods that require cooking over a high heat or for an especially fast preparation. The large, versatile burner suits woks, large pots, saucepans and griddles. Whether it's used for easy stir fry meals or controllable low simmers, it can add a whole new repertoire to your cooking.

FLAME FAILURE DEVICE

Safety fitted to all burners, the flame failure device ensures that, should a flame be accidentally extinguished, the gas supply to the specific burner is stopped. The burner can only then be reignited by following the normal ignition procedure.

CAST IRON PAN STANDS

The solid cast iron pan stands cover the burner, creating a harmonious and ergonomic surface onto which pots can be placed and moved safely and securely. In addition to providing a highly professional look, these ensure excellent performance, which remains unaffected over time.

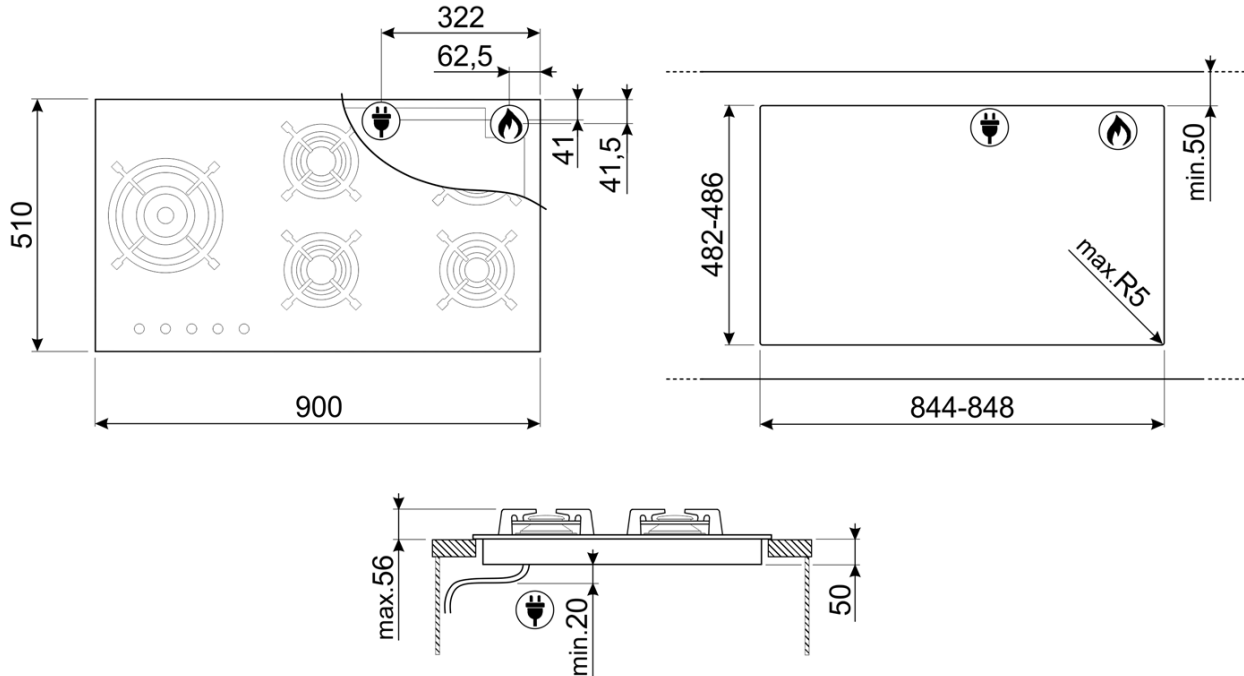

EASY CLEAN SURFACE

The highly durable ceramic surface offers effortless and simple cleaning. Once the cooktop has cooled, just use a few drops of a suitable cleaner and a damp cloth to achieve a wipe-clean result.
