Pause and add button	Delay end option to plan when your wash finishes	High spin, less dry time	Inverter motor The inverter motor delivers quieter operation, improvements in energy efficiency and improved durability, backed by a 10 year parts and labour inverter motor warranty ensuring peace of mind.

---

### BENEFITS

---

<b>It pays to play favourites</b> When there's meals to cook and work to be done, ways to simplify your life are welcome. That's where our Save Favourite wash program comes in allowing you to store your most used cycle so its only one button press away.	<b>Good vibes only</b> Our Inverter motor regulates vibration for a quieter cycle, so your Netflix binge isn't interrupted. Guaranteed for 10 years, it also uses less energy than traditional induction motors.
<b>Supersize your loads</b> When you need that doona washed before bedtime or a weeks worth of laundry done in a day, our 3XL Door, an extra large opening, makes washing big or bulky loads easy.	<b>One wash wonder</b> Our PreMix deals with detergent residue, making sure powders are properly dissolved and activated before the wash.
<b>Stop germ spread</b> Where there are kids, there are germs and a hygienically clean laundry is more important than ever. Our Plus Hygiene function uses water vapour to neutralise 99.9% of selected common household allergens and bacteria*. *Tested on certain harmful allergens and germs: K. pneumoniae, P. aeruginosa, S. aureus	<b>Laundry made express</b> If washing a top that's not dirty enough for the laundry basket, but not clean enough for the cupboard has slipped your mind, our Fast 15, a quarter hour wash, can refresh any urgent items you might need.

---

#### Unlock more time

When you're looking to create more hours in your day, our Daily 39 delivers the kind of quality wash you expect for light loads, in less time 39 minutes to be exact.

---

#### Hour of power

Our Full Load 60 lets you wash an entire load in 60 minutes less time than it takes to play a game of Monopoly and without compromising on wash results.

---

#### Confidence in care

How do we put this delicately? Safely wash your lingerie and silks while caring for your woollens with our delicates-friendly washing machines.

---

#### High spin, less dry time

Experience maximum efficiency with a higher spin speed that expertly extracts more moisture from your clothes. This means a shorter drying time. You can also adjust the spin speed if preferred.

---

## Terms and Conditions

### IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

### PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

### WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
