SatelliteClean
ProClean Satellite Spray reaches every corner.

AirDry
AirDry uses natural airflow for better drying.

ExtraHygiene
ExtraHygiene for hygienic dish cleaning.

ExtraSilent
ExtraSilent operates quietly at only 44dB(A).

BENEFITS

LIFT GENTLE TO A NEW LEVEL

Our ComfortLift dishwasher lets you gently slide and lift the lower basket upwards. With a dishwasher designed around your needs, you can load and unload more efficiently and stack more effectively. With ComfortLift we've elevated dishwashing to a whole new level.

DARE TO USE EVERY KITCHEN TOOL

The MaxiFlex drawer is designed to fit cutlery and utensils of different shapes and sizes. Its increased depth offers greater capacity in each load. Whether large or awkwardly-shaped, the customisable dividers and deep drawer mean everything can be loaded with ease.

GENTLE CARE FOR YOUR GLASSWARE

The unique SoftGrip feature ensures that the stem and foot of every glass are held gently but firmly in exactly the right position throughout the duration of the program. Protected from vibration. Removing the risk of breakages. And with SoftSpikes you no longer need to spend time handwashing delicate glasses. The soft material gently holds glasses securely in place and protects them from cracks and breakage.

IMPROVE WASHING RESULTS

ExtraPower function improves the washing results of the selected program. The extra boost in wash temperature and duration rids stubborn stains from your kitchenware with immaculate results.

REACH EVERY CORNER

The ProClean powerful, double rotating satellite spray arm, with 5 spray levels, sprays from continuously varying angles ensuring maximum water coverage over your entire load for an immaculate wash result.

THE DOOR TO AUTOMATIC DRYING

Our AirDry technology lets you maximise your drying performance with natural airflow. The door automatically opens up to 10cm when the cycle is complete. It dries your dishes naturally meaning spotless, cared for glasses every time.

HYGIENIC CARE FOR YOUR DISHES

The ExtraHygiene function gives you maximum cleaning performance with hygienic care. With the ExtraHygiene function, the final rinse phase heats up to 69°C and keeps the temperature high for minimum 10 minutes to sanitize your dishes.

ENJOY THE SILENCE

At a low of 44dB(A), ExtraSilent program noise level is so low you will barely know its there. Good by to noise and say hello to silence.

Specifications
